Core KPIs

Sales vs Profit

- *Sales are decreasing from 2011 to 2013*
- *Profit is also declining over the same period*
- *This shows a drop in overall performance*

👉 ***"Action is needed to improve sales and profitability."***

Top 3 Categories

- *Computers is the top category with 45% of sales*
- *Cameras and camcorders account for 36%*
- *TV and Video has the lowest share at 19%*

👉 ***"We should focus more on top-performing categories."***

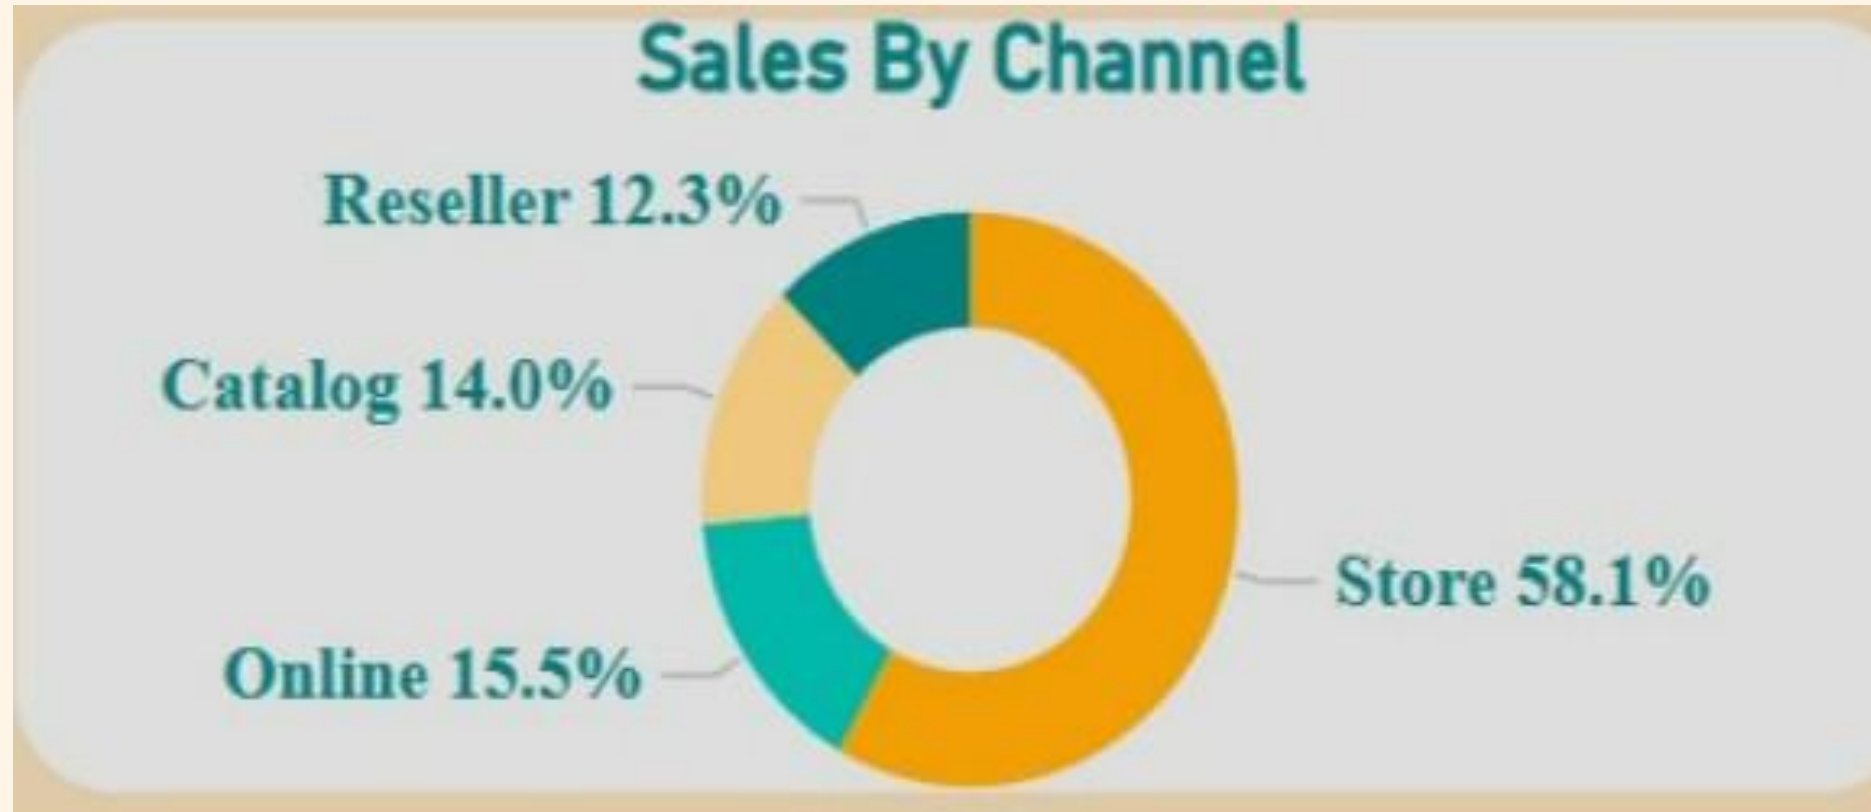

Sales by Country

- *North America has the highest sales*
- *Europe shows strong performance*
- *Asia has moderate sales presence*

👉 ***"Focus on strong markets and improve weaker regions."***

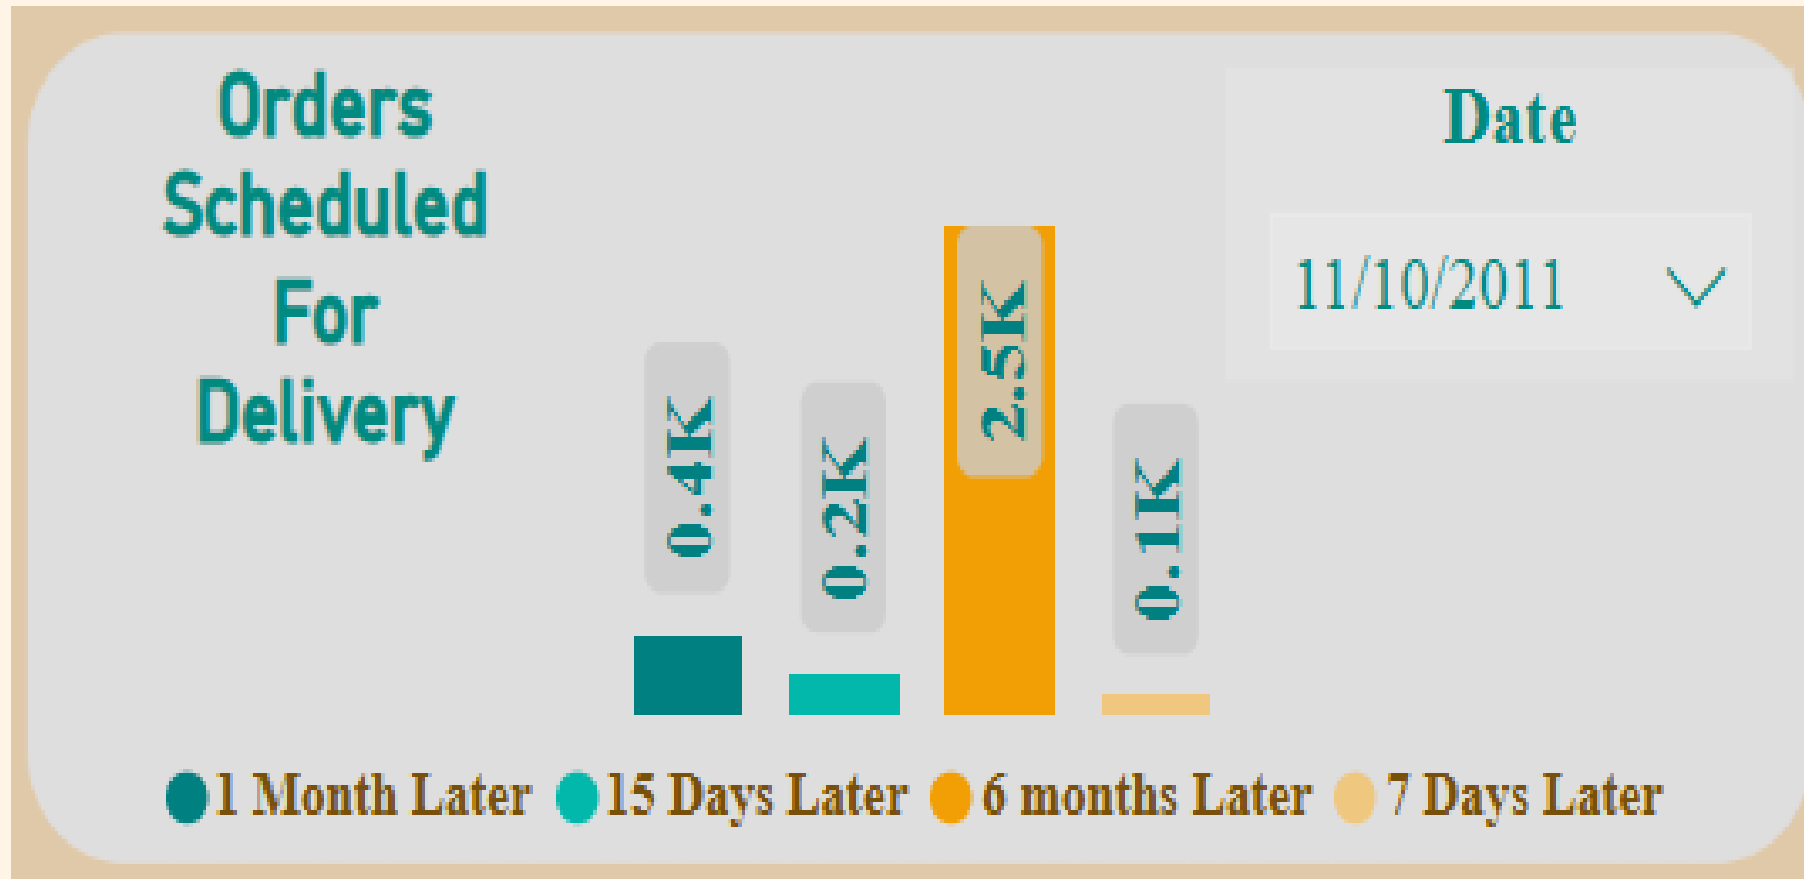

Sales by Channel

- *Store is the main sales channel with 58.1%*
- *Online and Catalog contribute moderately*
 - *Reseller has the lowest share*

👉 ***We should grow online sales to balance channels.***

Orders Scheduled for Delivery

- Most orders are scheduled after 6 months
- Very few orders are delivered within short time
 - This indicates slow delivery performance

👉 **"We need to reduce delivery time to improve customer satisfaction."**

Recommendations
